THE SPIRIT OF FREEDOM

When an American says he loves his country, he means not only that he loves the New England hills, the prairies glistening in the sun, the wide and rising plains, the great mountains, and the sea. He means that he loves an inner light in which a man can draw the breath of self-respect.

Adlai Stevenson

Literature becomes alive in Mrs. Perrin's class.

Mr. Welper offers some assistance.

Mrs. Lea Trea and her student teacher Mrs. Spencer watch the action.

Reading is fun!
